Error by County Officers Invalidates Playground Election

SPECIAL ELECTION TO BE HELD EARLY IN FEBRUARY TO CONFIRM REGULAR ELECTION.

The fears expressed in last week's Our Town for the validity of the loan election have proven justified. Because of the error in the wording of the ballots, the Playground election will have to be held again.

Carelessness in the offices of the County Commissioners at Norristown resulted in the Playground ballots being worded as a School District instead of a Borough election. The Chief Clerk blames the error on confusion caused by several School loans of other towns in this election. It is a satisfaction to realize that our own Borough government was not responsible for the error, as their instructions to the Commissioners were correctly given.

The fact that no sample of the ballot was sent Judge of Elections Kirkpatrick also served to prevent discovery and correction of the blunder.

Election February 6th.

The tentative date set for the new election is Monday, February 6th, 1922. Councils passed a new Playground Ordinance with first reading on Monday night. The ordinance is identical save with the change of date.

A unanimous approval of the overwhelming wishes of the majority is expected at this confirming election.

Commuters Delayed

Late trains on Monday night, from Broad street to Narberth, and commuters' trains Tuesday morning were delayed from fifteen minutes to an hour or more.

Travelers on Western trains passing Narberth about 8.30 Tuesday morning thought they were going through some metropolis, because of the crowds on the platform. Passengers for the 7.59, 8.18 and 8.29 were all delayed until about quarter to nine, while autos and other means of transportation were used.

Signal trouble above Wynnewood is said to have caused the delay.

NARBERTH MAN A DELEGATE.

Attends Bestowal of "Founder" Insignia on President Harding.

William C. Claghorne, of Chestnut avenue, Narberth, was one of the three Philadelphia delegates who attended the ceremony in Washington Wednesday, when President Harding was made a member of the Order of Founders and Patriots of America.

The Order is composed exclusively of persons who can definitely trace their ancestry to those who had a hand in the founding of the Republic. While President Harding has not been a member, his ancestry has been traced to the required sources and the ceremony was the result.

DEATH OF FORMER NARBERTH BALL PLAYER.

The many Narberth friends of Robert Shellenberger were grieved last week to learn of his death at his home in Cynwyd. His fatal illness was the result of injuries which he sustained two years ago in a trolley accident.

Mr. Shellenberger, who was thirty-two years old, played with the Narberth ball club four or five years ago, and rejoined the team this past summer, playing third base and pitching a number of games during the first half of the season.

After graduating from Brown Prep, Bob attended Ursinus College, and at one time played ball at Cape May under the direction of Charley Humphreys.

He had many friends and admirers in Narberth. Members of the ball team sent a fine floral tribute to his funeral.

Community Club Notes

At the meeting on Tuesday Mrs. Bradford, of Philadelphia, who has been interested in Welfare Work since the time Bishop Garland started the movement in 1919, explained the purpose of the Welfare Association. Its object is to federate all charitable organizations. The Welfare Campaign is conducted as the War Chest Campaign was conducted for war funds. The campaign in Narberth is under the management of the Junior Community Club.

Dr. Lucy Wilson spoke of the system of classifying the pupils of the Girls' High School of South Philadelphia. Pupils who make rapid progress are placed in one division, those of medium progress in a second division, and others who make slower progress in a third division. These classifications are for the purpose of finding the tempo of the individual pupil, and so giving a much better opportunity for the pupil who digests information more slowly an opportunity to assimilate the information. The classes are also socialized. Each pupil is given an opportunity to give time to the thing of her choice. Dr. Wilson's system of classification has brought excellent results, and she has still other methods to be added in the future.

The Club Quartette—Mrs. Charles Shaw, Mrs. R. F. Gifford, Mrs. V. L. Sanderson, and Mrs. H. E. Ruch—rendered "Water Spirits," by Henry Smart, and "I'm a Longin' for You," by Jane Hathaway, with Mrs. A. B. Ross at the piano.

Mrs. Samuel Atherholt gave a book review of Archibald Marshall. There are some of his books in the Club Library. The public may take advantage of these.

Tea was served during the social hour by Mrs. C. F. Haist and her aids, Mrs. G. Gilpin, Jr., Mrs. F. A. Guinivan, Mrs. Carl Grace, Mrs. Howard Hager, Mrs. J. S. Harris, Mrs. Phoebe Harris, Mrs. Horace Hillegas, Mrs. Edward Haws and Mrs. W. J. Henderson.

There will be an afternoon card party at the home of Mrs. Robert Dothard, Wynnewood avenue, on Wednesday afternoon, November 30th, at 2 o'clock. There are a few tables yet to be filled. Please send in your reservations early, as the space is necessarily limited.

Tennis Auxiliary to Give Card Party

LADIES OF ASSOCIATION PLANNING BIG BRIDGE AND FIVE HUNDRED FOR DECEMBER 3.

The Ladies' Auxiliary of the Narberth Tennis Association is going to give a card party—bridge and five hundred—at Elm Hall, Saturday evening, December 3.

This affair promises to be one of the largest and most enjoyable social affairs of the season.

Mrs. Harry Hartley, President of the Auxiliary, and Mrs. Carl B. Metzger, chairman of the committee in charge of the party, assisted by a committee of members, are planning an interesting evening.

There will be plenty of tables both for bridge and five hundred. There will also be refreshments and prizes.

Members of the Auxiliary will be supplied with tickets early next week, and those desiring more than the number alloted to them can readily get as many extra tickets as they will need either from Mrs. Hartley or Mrs. Metzger.

The Auxiliary is anxious to make the affair a big success, and urges all members to talk the card party among their relatives and friends, and thus make the number of participants as large as possible.

Remember the date—Saturday evening, December 3.

Folks who enjoy bridge or five hundred, make no other engagement for that evening.

SPECIAL NOTICE.

UNION THANKSGIVING SERVICE IN THE BAPTIST CHURCH THURSDAY MORNING AT 10.30. SERMON BY REV. JOHN VAN NESS, OF THE PRESBYTERIAN CHURCH. EVERYBODY IN NARBERTH IS INVITED TO ATTEND.

December 16

NARBERTH'S FIRST MUSICAL TREAT OF SEASON.

Early announcement of the first local concert of the Narberth Choral Society for December 16 in the School Auditorium, is being made so as to preclude conflicting events in the month of December, as this program has been arranged with great consideration having been given to the requests and general tastes of the townfolk. The Chorus is hard at work with Prof. Nice in preparing a pleasing and attractive program, and it is sure to be a very popular concert.

Many Narberth people, interested in good music, and especially in the Choral Society's work, were not able to enjoy the Metropolitan concert given by the Choral on November 8, and have literally demanded of Prof. Nice that the Choral repeat as many of the choruses from the Metropolitan concert as it is possible to include in the December 16 program. Prof. Nice has not signified acquiescence in this matter as yet, but it is hoped he will do so, and notify the Narberth public through the columns of Our Town.

Choral Dinner "Some Affair!"

The ladies of the Choral Society served a most appetizing supper last Monday evening in the Y. M. C. A. to about 125 members and friends. Mrs. Edw. Haws was chairman and with her aides, Mrs. Foote, Mrs. Needham, Mrs. Longbottom, Miss Smith, Mrs. Keim, Mrs. Compton, Mrs. Farmer, Miss Kurzenknabe, Miss Compton, etc., handled "the hungry mob" with the utmost competency.

Prof. and Mrs. Nice and Mr. and Mrs. Hillegas were the guests of honor

Carl B. Metzger Resigns from Councils

Our Borough Council meetings are interesting. That of the second Monday in November was particularly so. The gallery was well filled by citizens, prominent and otherwise, and they remained until the adjournment at 10.55.

Mr. Metzger's services while in Council were sincerely appreciated by his colleagues and fellow-citizens and his resignation was accepted with regret. Well, now what are we going to do? Quit running the Borough? Don't be alarmed. Mr. Metzger is going to be our new Burgess after January 1st, and a new representative from the Fifth Ward, as it was formerly known, or Chestnut Avenue Precinct, as it is now called, was formally sworn in as a Councilman in the person of Mr. E. C. Griswold. Congratulations, Senator Griswold! And congratulations, Borough of Narberth! Up to the standard set by the other members of our local governing body is the best compliment we can pay you.

Of course, we all know by this time that the County Commissioners "gummed up" our Recreation Center Bond Issue ballot and that we will have to vote again on February 6th, but why should they write to our Council asking what we do with our garbage? Their letter stated that they understood that we had SOME system of removing garbage, and that they would like to be put wise. Now, what is the connection between the sloppy work on the ballots and the desire at this time to

Tennis Dinner Big Success

ESPECIALLY THE SPEECHES, WHICH MARKED HIGH TIDE OF WIT AND HUMOR.

The annual dinner of the Narberth Tennis Association held last Saturday night at Elm Hall, was the largest and most successful affair of the kind that the Association has ever held.

To say more would, we fear, be stretching the credulity of those who were not there a little too far. However, there are a few details that should be recorded.

For instance, a *funnier lot of after*-dinner speeches have never been made anywhere, any time. The thing that occasioned these bursts of wit and humor, you understand, was the presentation of the prizes won in the annual Labor Day Tournament of the Association.

Robert E. Pattison, Jr. (a sort of "hold-up" salesman by day—that's all right, Bob, no charge at all for this little free advertising), was the past-master toastmaster and presenter, and acquitted himself in fine style. He insisted that every member receiving a prize, walk the entire length of the hall before the ceremony was consummated, thus giving all the diners an opportunity to view the heroes and at the same time giving said heroes ample opportunity to think up their speeches.

Oh Those Speeches!

Frank Fretz, one of the winners of the Doubles Tournament, paid an eloquent and "roaring" tribute to the "elder statesmen" who still play the game, and Bill W. W. Evans, one of the winners of the Consolation Doubles Tournament, spoke with touching words of the appropriateness of a "little speech in return for a little cup."

Thorny Grugan, runner up in the Singles, was not permitted to make any speech because, as Toastmaster Pattison remarked, he thought Thorny's speech at last year's dinner was enough for both occasions. It was!

Burgess-elect Metzger, who is also chairman of the Tennis Association's Entertainment Committee, was here, there and everywhere throughout the evening, and a gentleman who bore a strong resemblance to Councilman Ed Griswold was rumored to be the party in charge of the alarm clock which "went off" every time a speaker exceeded the three-minute limit. However, Ted Dold was also in that part of the room, so you can take your pick.

Fletcher Stites made his tri-annual appearance (if that means "once every three years," and not "three times

Win the $5 Prize

WHO WILL BE THE LUCKY BOY AND GIRL?

A prize of $5 each is being offered by the Committee of the Children's Saturday Dancing Class to the boy or girl who brings the greater number of his or her friends into the class.

Special Message to Parents.

The Dancing Class Committee has sometimes found in the past some hesitancy or doubt on the part of shy or indifferent children to enter the class, and a consequent natural reluctance on the part of the parents to incur an indebtedness under these circumstances. The committee hereby extends an invitation to parents to bring or send their children for a trial lesson without curtailing any obligation unless they decide to continue.

The Committee is confident no pupil will be able to resist enrolling when they catch the spirit of the teacher and other pupils.

Both fancy and social dancing will be taught.

Class held in the Y. M. C. A., Saturday, November 19, 2 P. M.

SOMETHING WORTH WHILE.

The Montgomery County Tuberculosis Society will open its sale of Christmas Seals next week.

These seals, which have for years been sold all over the country for a cent apiece, have become one of our fixed Christmas institutions. It is nearly as much of a custom to put a seal on the back of a letter as a stamp on the front.

The fight against tuberculosis depends much on these seals. Do your bit!

Communications

To the Editor of Our Town:

The criticism by Mr. Wohlert in last week's issue of Our Town concerning the short lunch period given the school children is, in my opinion a just one. At least thirty minutes should be added to the present half hour, which would only delay dismissal thirty minutes, thus ending the session, for instance, in the seventh grade at 3.10, and as for the School Board to claim that the parents would object to a later dismissal seems to be a poor excuse in view of the fact that the afternoon session of the third grade dismisses at 4.30, and if we do not object to 4.30 for the smaller children, do they consider it likely objection would be raised at a 3.10 dismissal for a seventh grade pupil?

I for one would welcome an extended lunch period.

MRS. G. W. McCLEMENT.

To the Editor of Our Town:

At this time of the year it seems customary for keepers of hens to turn their fowls loose and save in feed. This is all very well on a large farm, where their range will do no harm, but it will not do in a closely settled neighborhood, where the hens at once invade other yards and gardens. The fowl owners seem to think the biddies can do no harm now that gardening is over —or supposed to be. This is not true. Many young plants have just been set out, bulbs have been planted and some plantings bedded with leaves. The mischief these fowls can do if let alone has no limit, and gardeners are compelled to rush out a dozen times a day to drive off these persistent marauders. Whether the Borough has any more power over hens than it has over weeds I don't know. CAMOLEN.

To the Editor of Our Town:

A letter to the public. I want to thank the various people and organizations who have backed me in my efforts to secure a hospital for advanced cases of tuberculosis in this county.

Since 1908, the State has been educating the public for the need for these county institutions. Almost every county in the State of Pennsylvania has a State clinic for tuberculosis, and through these clinics the public have been educated in the prevention of tuberculosis.

The State has felt that, as their work is educational, they have done their part, and it is up to the various counties to take charge now.

Montgomery County is one of the first to take advantage of the new law of 1921, which makes possible the building of this hospital by the County Commissioners.

This was brought about through the united efforts of the County Commissioners, the Tuberculosis Society by educating the public through the Seal sale and by backing the movement, the County Health Committee, the County Superintendent of Schools, the Associated Charities, the Red Cross, the County Council, the Civilian Associations, Directors of the Poor, physicians, medical societies and nurses, and all welfare organizations throughout the county as well as many individuals.

The State has three sanitoriums where patients are admitted free of charge, and they will continue to take patients in the incipient stages.

(Signed) LILLIAN M. BROWN.

To the Editor of Our Town:

Assuming that by "the Public," he refers to himself, I believe I can say with confidence that August Evergreen has accurately stated the attitude of the School Board.

Red Cross Notice

The Public Health and Child Welfare Committee of the Main Line Branch, No. 1, American Red Cross, is co-operating with the State Health Committee of Lower Merion Township. The Joint Committee will hereafter be known as the Red Cross Child Welfare and State Health Center. The clinic at Ardmore has been changed to Monday and Thursday, from 2.00 to 3.00, and the clinic at Conestoga has retained the same time, being held on Tuesdays and Fridays, from 2.00 to 3.00. The age of the children admitted has been advanced to school age, and the Committee is very anxious that the parents will take advantage of this advance in age and bring the older children. It is hoped to make the clinics a health center.

The Ardmore Branch will be open from 9 to 11 every morning, with Miss Carter, trained nurse, in charge, who will answer any questions and give any necessary aid.

The Public Health and Child Welfare Committee started in February, 1920, and has been a most active organization. In the year ending October, 1921, there were 104 clinics held at Conestoga, with an attendance of 531, or an average of 5 children treated at each clinic. The number of cases registered to date is 158. 267 visits were made to the homes of the children. At Ardmore the clinics numbered 104, with an attendance of 746, or an average of 7 children at each clinic. The number of cases registered to date is 218 and 402 visits were paid to the children's homes.

With the exception of trained nurses the Committee is composed entirely of volunteers. The doctors of the Main Line who gave their services and the number of clinics held by each doctor are as follows:

Dr. Taylor, 42; Dr. Arnold, 5; Dr. Dewees, 44; Dr. Sharpe, 3; Dr. McLeod, 1; Dr. Lucas, 48; Dr. Stein, 4; Dr. Cloud, 16; Dr. Rose, 11; Dr. Evans, 30.

The volunteer aids who assisted the doctors in receiving the children, managing the clinics are as follows:

Mrs. Hooper, 51; Miss Rawle, 6; Mrs. Rulon-Miller, 56; Mrs. John Lowry, 15; Mrs. Townsend, 53; Miss Essylt Evans, 2; Mrs. Arthur Lowry, 24; Miss Louise Townsend, 77; Mrs. John Williams, 16; Mrs. Mearns, 5.

The children were taken back and forth by members of the Transportation Committee, which rendered very valuable assistance.

Great credit is due to the splendid spirit that has actuated these volunteer workers and it is hoped that the mothers and the public will avail themselves of the excellent opportunities for better babies and better health that the Red Cross Child Welfare and State Health Center have to offer.

The following officers were elected for the coming year:

Chairman, Mrs. Alexander Brown; 1st Vice-Chairman, Mrs. Henry C. Earnshaw; 2nd Vice-Chairman, Mrs. Fletcher W. Stites; Secretary, Mrs. Emmett R. Tatnall; Treasurer, Mr. Jesse H. Hall; Chairman Membership Committee, Mrs. James E. Caldwell; Chairman Wool Committee, Mrs. Joseph Morris; Chairman Child Welfare Committee, Mrs. Henry C. Earnshaw; Chairman Home Service Committee, Mrs. Harold W. How; Chairman Disaster Committee, Mr. David S. Ludlum; Chairman Entertainment Committee, Mrs. William J. Clothier; Chairman Transportation Committee, Miss Kittie Penn Smith; Chairman Junior Red Cross Committee, Mrs. L. Caspar Wistar; Chairman Publicity Committee, Mrs. G. Brinton Lucas.

Directors-at-large, Mrs. George C. Thayer, Mrs. Walter M. Janney, Mrs. George B. Evans, Mrs. Herman L. Schwartz, Mrs. John J. Hurley, Mrs. G. Thursday, at 10.30 A. M., Union Thanksgiving Service in this church.

WESTMINSTER CIRCLE.

Mrs. A. W. Burns, assisted by Mrs. Baughman and Mrs. Haney, entertained the Westminster Circle last Thursday evening. There were thirty-two members present. Three new members joined the Circle.

The meeting was called to order by the President, Mrs. Farmer. Mrs. Loughlin, who has charge of the sewing for the year, reported forty-eight surgical aprons had been completed, about twenty more were given out, and it is hoped will be finished before the December meeting. This branch of the work is the most important, as all the sewing is for the Children's Hospital of Philadelphia, and it is the aim of the Circle to help the hospital in every way possible. The Treasurer was authorized to send them a generous check for their Donation Day.

The Nursery is open every Sunday morning in the Primary room of the church. The Chairman, Mrs. Warwick, reported there were nine children there last Sunday, and explained that facilities will accommodate many more children. It is the plan of the Nursery to care for the children in order that their parents may attend the morning services. It is filling a long-felt want in the church, and all are welcome to make use of it. The committee in charge is planning to replenish the toys.

Mrs. Fair, chairman of the Flower Committee, will be glad for flowers any of the members may have. She would like to have flowers from the gardens as long as possible.

The President read an interesting letter from the Bala Home, thanking the Circle for its most generous response to their appeal for groceries. It is pleasant to hear from one of the Directors that the Circle's donation helped materially in making the contribution of the Narberth Presbyterian Church the largest in the Presbytery, in spite of the fact that it is one of the smallest churches.

The Ladies' Auxiliary of the church in a letter to the President extends the hand of friendship to the Circle, and invites the members to attend any of their meetings. Mrs. Farmer urged the members to accept this kind invitation and endeavor to attend the next meeting of the Auxiliary.

The Circle was deeply grieved to hear of the death of the father of Mrs. E. K. Bauer, and extends sincere sympathy to Mrs. Bauer in her trouble.

After the business meeting adjourned the Entertainment Committee took charge and the remainder of the evening was spent playing games. The hostesses served delicious refreshments, after which the meeting adjourned to meet on December 8th at the home of Mrs. William J. Loughlin, 210 Chestnut Avenue.

ADVANCE NOTICE.

Beginning November 25th the Montgomery County Branch of the Pennsylvania Tuberculosis Society will conduct a sale of Christmas Seals, the proceeds from which will be expended for educational and preventative work in fighting tuberculosis.

On account of the fact that a great many residents of the county have business connections in Philadelphia, and will be approached by representatives of the organization for the Philadelphia district, your local organization is asking that you bear in mind that you will be asked to do your utmost to make a good showing in your home town.

The Montgomery County Branch needs your help in the great work they have been doing. You bought Christmas Seals before, and will buy them again. Help your local organization make Montgomery County a better place in which to live and the healthiest county in Pennsylvania. Thank you.

Tennis Dinner Big Success

(Continued from Page 1)

every year") and spoke, and "the hour of eight having arrived," so did "Your-chairman-of-the-Board-of-Trustees" Bill Hall, and a good time was certainly had by all.

Incidentally, Mr. Hall made an announcement that will be of interest not only to members of the Narberth Tennis Association, but to all residents of Narberth who like ice skating. Arrangements have been made for flooding the four lower courts, on the Haverford avenue side of the new tennis grounds, and the making of this area into a skating rink. All that is needed is cold weather, and Narberth will have a fine ice skating rink. Announcement will be made later as to the conditions under which skaters may use the rink.

But to get back to the dinner again, one hundred and fifteen members, wives and friends participated, making it the largest number that have ever attended a similar tennis affair in our Borough.

Good Boy, Bill!

And, my goodness gracious me, we were going to go right on and mention in a perfunctory way that prizes were awarded to the "following tournament winners." But that would never, never do! What would Bill Boryer's grandchildren say if they should some day pick up an old copy of Our Town and see no special mention of Bill and the ex-President's cup? Well, what would they say?

Never mind what they'd say. Let Bill answer that question. Right now it's our say, and our say is that the ex-Presidents of the Narberth Tennis Association agreed that Bill made the greatest improvement in his playing of any member of the Association during the past season, and accordingly awarded Bill a fine big silver cup.

Bill Kirkpatrick and Arthur Staples, whose homes, it is rumored, are littered with silver cups from celler to garret, and who were the runners-up in the Doubles Tournament so touchingly referred to by Frank Fretz, got the surprise of their lives, when they were presented—not with two more cups, but with silver salt and pepper services.

Cups were also presented to Bob Fretz, winner of the Singles Tournament, and joint winner, with his brother Frank, of the Doubles, and Earl Warwick, who with Bill W. W. Evans won the Consolation Doubles. Earl was also presented with a coat sweater, the prize for winning the Consolation Singles.

After the dinner and presentations and speeches were over somebody suggested a little dancing. The motion was carried, and after a couple of hours of dancing everybody voted the affair a big success.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsman, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.

remove something from around the County Court House?

Street Commissioner Suplee made a purchase of hay and straw at a public sale and thereby saved the Borough something like $47.00, or, as the gentleman from Essex remarked, "enough to feed Councils for the winter."

Shortly after "the hour of eight arrived" a letter was read from Fire Chief Noel thanking Council for overhauling the fire truck and purchasing twelve rubber coats for use of the firemen.

December will bring the big meeting, making up the budget for 1922. Come around; if you can't see much you can hear a lot.

SCRUB REPORTER.

December 16

(Continued from Page 1)

of the evening, and were called upon to answer several evidences given by President Hayward, Mrs. Cuthbert, etc., of the splendid good will of the Choral members toward them. Mr. Hayward expressed, in his usual fluency and sincerity, the feeling of every one that all credit was due Prof. Nice for the rapid progress of the organization and its enormous strides; also the deep regard the members hold for their director, and how they appreciate to the very fullest degree what he has done for them individually and collectively and for the town itself. Mrs. Bradley and Miss Prescott were general chairmen for the evening.

Each part of the Chorus helped to entertain, and some of the "stunts" were extremely clever and caused lots of merriment. The sopranos were "true to form" with a very good goop sketch; the altos, with Mrs. Staples at their head, displayed unusual talent and muscular ability in "laying the law" down to one of the esteemed members, Rev. Van Ness, thereby surprising him "off his feet" and finally bringing him back to read his own heavy sentence of so many "Beats" with the "bar," and then a long "Rest," etc., ets. Mr. Taitt led the tenors in some clever rounds and in "taking off" the Real Musical Director of the Choral, proceeded to give a short talk in the rudiments of music, and rendering a very life-like imitation of the Professor. Then the basses gave an impromptu indignation meeting on the matter of selection of dress for Choral concerts, which "took the house" and won the prize, which was a mile long string of bologna!

The evening was made complete by some renditions on the piano by Mr. Earl Beatty, and community singing.

Every one went away "holdin' their sides," and "a fine evening was had by all."

THE FIRESIDE

(Continued from Page 1)

H. I. McConnell, of 320 Merion Avenue, is in Chicago attending the Automotive Equipment Association Convention.

Work has been started upon the removal of the perpetual pool of stagnant water which has graced Essex Avenue for several years.

Mrs. Abbie W. Nickerson read "Jerusha Dow's Photograph Album" to a delighted audience on Tuesday evening at the Presbyterian Church.

Mrs. W. Arthur Cole, who has been the guest of Mrs. William S. Horner, of North Narberth Avenue, has returned to her farm, "Homewood," West Brattleboro, Vermont.

Don't wait until it begins to sprinkle to lay up something for a rainy day. A few shares of American Legion B. and L. stock are better than an umbrella.

Mr. and Mrs. Robley Warner, of Narberth Avenue, spent several days this week in Gettysburg, Pa., having been called there by the death of their friend, Mrs. William H. Tipton.

Mr. and Mrs. J. Ed. Kelley, of Tuckerton, N. J., who have been the guests of Mr. and Mrs. W. M. Sibley, of 507 Haverford Road, have returned to their home.

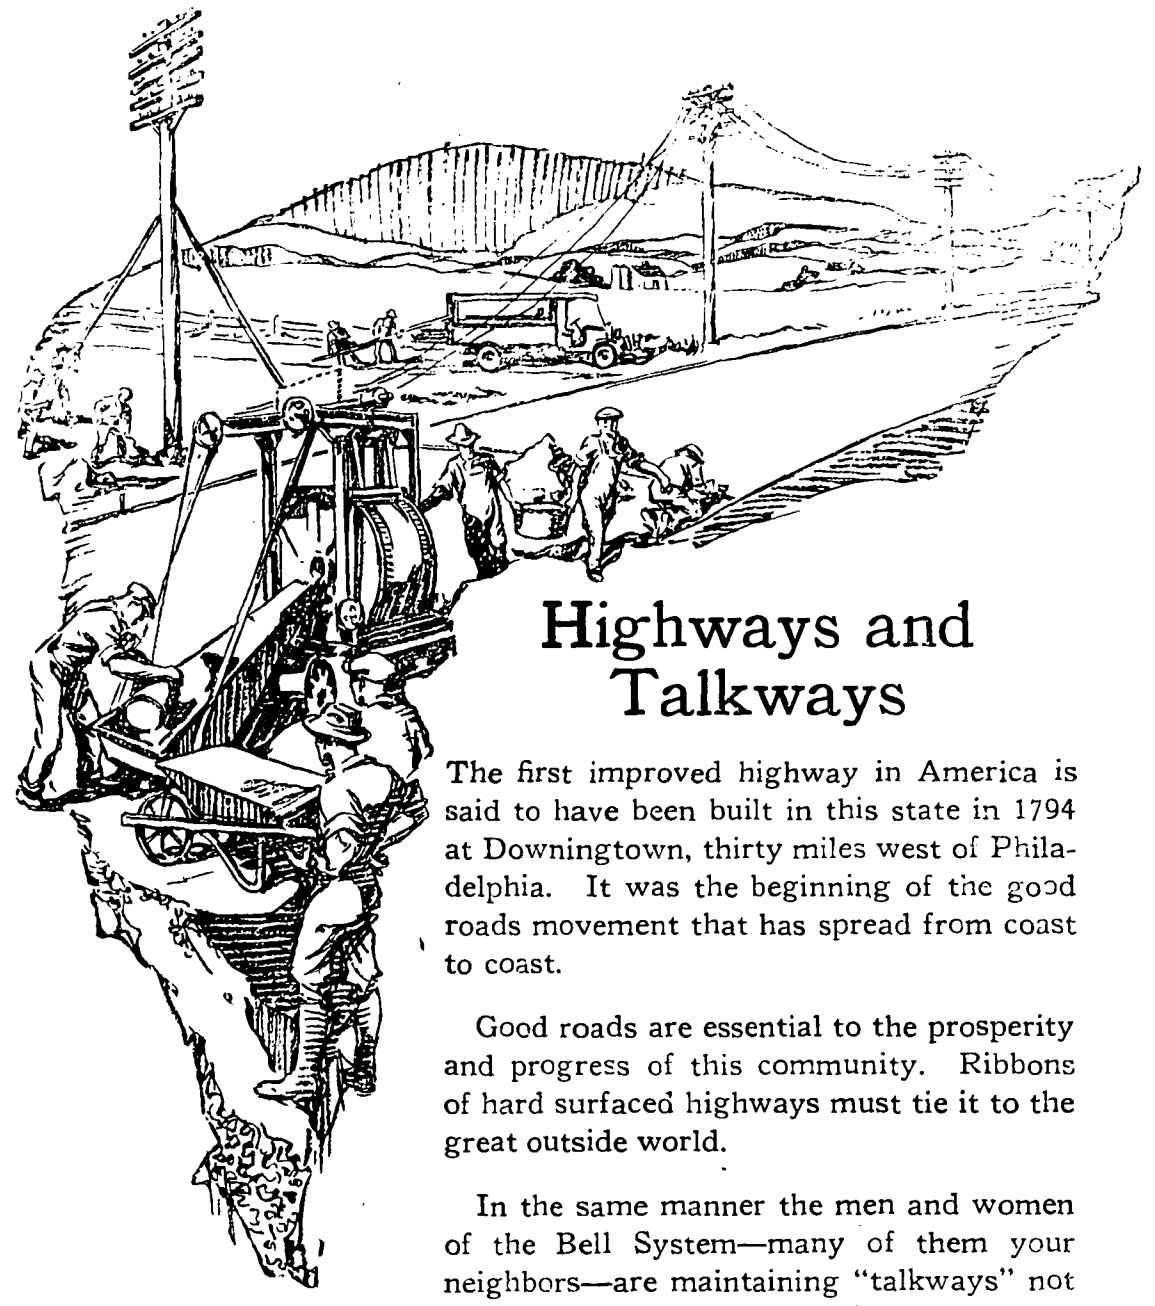
The Misses Marian and Ruth Haws, Miss Marian Graham and Miss Marian Wilson, Jack Price and John C. Nash went to New York on Saturday to see the Penn-Dartmouth game.

Among the Narberth students at State College who returned home for the Penn State-Navy game last Saturday were Miss Ailein Needham, Ross Howenstein, Ralph Beatty and George Rose.

Mr. Samuel Kofsky, recently called from Springfield, Mass., to accept the position as she buyer for Gimbel Brothers' Philadelphia store, has taken up residence with his family in Narberth and now occupies 10 Narbrook Park.

Christmas is not so far away but that those who contemplate sending gifts by mail should lose no time in arranging for the proper packing and wrapping of their parcels and the early mailing of same. There are always enough "last minute" folks to almost clog the works. Don't you be one of them.

On the subject of the article in last week's issue, it may be of interest to know that Mr. Stapp, of 220 Wayne Avenue, not only obtained an unusual crop of vegetables during the season from his back-yard garden, but was able to pick a quantity of lima beans, measuring a full quart when shelled, on Election Day, and had a nice dish of strawberries gathered from the vines on Armistice Day.



Highways and Talkways

The first improved highway in America is said to have been built in this state in 1794 at Downingtown, thirty miles west of Philadelphia. It was the beginning of the good roads movement that has spread from coast to coast.

Good roads are essential to the prosperity and progress of this community. Ribbons of hard surfaced highways must tie it to the great outside world.

In the same manner the men and women of the Bell System—many of them your neighbors—are maintaining "talkways" not alone to the homes and business houses in this community but also to every other community in the State.

Glistening bands of copper stretch from your door to every corner of the State making "talk travel" possible, without regard to season, weather, or road conditions.
